6 ## Quarto
7
8 Quarto enables you to weave together content and executable code into a
9 finished document.
10 To learn more about Quarto see <https://quarto.org>.
11 ## Running Code
12
13 When you click the Render button a document will be generated that includes
14 both content and the output of embedded code.
15 You can embed code like this:
16 ```{r}
17 1 + 1
18 ```
19
20 You can add options to executable code like this
21
22 ```{r}
23 #| echo: false
24 2 * 2
25 ```
26
27 The `echo: false` option disables the printing of code (only output is
28 displayed).
